LOT 2544

An early 20th century painted wooden pond yacht with cloth sails and weighted hull, length 111cm, raised on a stand.

Estimate: £80 - £120

Condition Report

2544. General wear overall but in reasonable condition. There is a crack to the underside of the hull and there are some attachments missing to deck. The front sail is fine but wasn't hooked up properly for the photo. All the sails and rigging can be de-rigged and taken down.
