

Collectors' Items, Works of Art and Light Fittings / Thu, 23rd January 2025 / Lot 2634

LOT 2634

An Art Nouveau electroplated pewter figural table lamp, designed by Moritz Hacker, with seashell shade, model No. 113, cast in relief with a maiden rising from scrolling foliage and a pond base, stamped maker's mark and '113' to base, height 31.5cm.

Estimate: £200 - £300

Condition Report

2634. Section of metal mount on the top of the shade is damaged, repaired and with some loss. Also it has lost the end of the leaf that attaches to the stem behind the figure. Overall surface scratches and wear, as well as some thin chips to the edges of the shell shade.
