LOT 2614

A 19th century green flashed glass scent bottle with white metal top, length 10cm, together with a gilt metal eyeglass and a silver paperknife.

Estimate: £80 - £120

Condition Report

2614. The glass scent bottle has a few tiny nicks to the lower edges of the body, as well as a slightly dented, pressed down top to the lid.

The lens is in good order with just some minor surface wear.

The paperweight is a bit worn and has a slightly misshapen blade.
