

Jewellery / Wed, 22nd January 2025 / Lot 617

LOT 617

A white gold, platinum, jade and diamond brooch, claw set with an oval jade, carved and pierced with fruit, detailed '18ct Pt', weight 5g, width 3.8cm, and a jade circular pendant, carved and pierced with pomegranates, diameter 4.3cm, with two cases.

Estimate: £200 - £300

Condition Report

617. The jade brooch has typical light surface scratches, the diamonds are attractive white stones, but have a few pique inclusions, base metal hinge pin has been bent and straightened in the past, no sizable chips or fractures, would benefit from professional cleaning. The jade pendant is of attractive slightly mottled rich green colour and is in good condition, no significant chips or surface marks, the suspension loop is lacking. Pendant weight 13g.
