

Collectors' Items, Works of Art and Light Fittings / Thu, 23rd January 2025 / Lot 2562

LOT 2562

An HMV mahogany cased table-top Monarch gramophone, fitted with a wooden horn and a No. 4 sound box, diameter of horn 56cm, width of case 33cm, together with a wicker horn cover (faults).

Estimate: £500 - £800

Condition Report

2562. Minor scuffs and marks to case and horn. The wicker cover is quite worn and damaged. The machine winds properly and the turntable does work. There is anodization to the surface of the metal elements.
