LOT 544

A gold mounted jade bracelet, the four curved baton shaped links alternating with character motifs, on a snap clasp, detailed '14K 585', weight 24.6g, length 16cm.

Estimate: £120 - £180

Condition Report

544. Good condition, no chips, cracks or repairs. Typical light surface scratches and wear, but nothing obviously noticeable. Clasp in good working order and safety catch also good.

Marked '585 14k', but will have been made in the Far East, probably China, so not the same yearly hallmarking system used in Great Britain. Therefore unable to give an accurate year of manufacture, but would suggest it was made in the last quarter of the 20th century.
