

Jewellery / Wed, 22nd January 2025 / Lot 671

LOT 671

A gold and platinum ring, claw set with an oval opal between diamond two stone shoulders, detailed '18ct Plat', weight 4.2g, ring size approx S, with a case.

Estimate: £180 - £220

Condition Report

671. The ring is in generally good condition, typical light surface scratches and wear, but no significant damage or repairs. Opal appears to be in good condition with no cracks, only typical light surface scratches and wear. Shank is slightly misshapen, otherwise ok.
