

Furniture / Thu, 23rd January 2025 / Lot 2087

### LOT 2087

An early Victorian mahogany framed deep-seated armchair with finely carved armrests and fluted legs, height 93cm, width 76cm.

Estimate: £60 - £100

---

### Condition Report

2087. The chair is in structurally good order. A few scattered woodworm holes visible on the seat rails. No apparent repairs and just some typical surface scuffs and marks to the legs and armrests. The castors all appear to be original and in reasonable condition.

Depth of seat 56cm, width of seat at rear 43cm, width of seat at front 56cm.
