LOT 1051

A Chinese carved rock crystal figure of a mandarin duck, probably 20th century, modelled with carved plumage, length 17cm, with carved hardwood lotus leaf form stand.

Estimate: £150 - £250

Condition Report

1051. Generally good condition with no chips or cracks. One side of the tail feathers has obviously been damaged at some point and been polished out, so is slightly reduced on one side. Inclusions visible inside the crystal figure.

Wood stand in generally good order but some glue residue apparent to top, possibly from when one side was glue repaired.
