### LOT 1140

A Kakiemon style blue and white porcelain saucer dish, Edo period, circa 1700, of shallow circular form, the interior painted with fruiting leafy branches, the underside of rim with band of scrolling tendrils, underglaze blue Fuku mark to base, fitted with a silver rim, diameter 19.1cm.

Estimate: £400 - £600

### Condition Report

1140. The dish has typical surface scratches and wear to glaze commensurate with age. No cracks or restoration. Decoration is good. Few minor nicks/dents to the silver rim. Nice underglaze blue mark to base. It is quite possible the silver rim was applied to cover chips to rim, but obviously we cannot be certain without removing it.
