

British and Continental Ceramics / Thu, 13th February 2025 / Lot 1535

## LOT 1535

An Art Deco Walter Goldscheider American pottery figure, circa 1940, modelled as an elegant lady holding a mask to her décolletage, raised on an oval base, black printed and impressed factory marks, height 36cm (restored).

Estimate: £50 - £80

---

## Condition Report

Broken through the waist area and restored with now slightly discoloured restoration. There is some similar restoration to the underside of the hat brim.

The glaze is crazed.
