LOT 1451

Six Lladro figures, comprising Mayumi, No. 1449, Playful Character, No. 8207, Embroiderer, No. 4865, Sisters With Flowers, No. 5013, Flowers In The Basket, No. 5027, and a woman seated on a bench holding a fan, five boxed (some faults).

Estimate: £80 - £120

Condition Report

Mayumi - in good condition overall but with some glue residue (?) and possible tiny restoration to fingers of left hand, which is strange as all the delicate applied flowers seem to be fine.

Embroiderer - glued repair to feet, glued repair to finial on top left of chair and glued repair to left arm which means the actual embroidery would have come away at the same time so there is a tiny glued repair to the middle finger of the right hand where it has been re-joined.

Sisters with Flowers - a couple of teeny tiny inconsequential losses to a couple of the petals in the basket of flowers, otherwise in good condition.

Flowers in the Basket - one flower stem from the basket is detached but available with the lot, although it has chipped petals. There are some very minor and insignificant chips to some of the other petals, otherwise ok.

Remaining items in the lot are in good condition with no damage or repairs.
