LOT 1408

A large Art Deco Clarice Cliff Bizarre Delecia Citrus pattern circular charger, 1930s, with moulded ribbed detail and deep concave well, black printed factory marks to base, diameter 45.5cm.

Estimate: £300 - £500

Condition Report

There is a small unglazed blemish to the rim edge at 2 o'clock, either a manufacturing issue or a little graze where a chip has possibly been disguised.

There is a minor and indistinct surface blemish/bruise in the form of an indistinct haircrack to the cavetto which is only noticeable on very close inspection.

Otherwise the dish is in good condition overall with no restoration.

There is some typical light crazing to the glaze.
