### Condition Report

557. A nice pretty ring. Generally good condition, all stones secure in their setting, typical surface scratches and wear to mount, typical light surface abrasions to diamonds but no obvious chips or significant damage. Largest stone diameter approx 4.5mm, two nest stones diameter approx 4mm, two outer stone diameters approx 3mm.

Please note, this ring has not been professionally graded, this is an approximate grading:

Total carat weight approx 1.3-1.4ct.

Under magnification the stones are fairly heavily included so approx I2 clarity on average, approx J/K colour on average.
