

Jewellery / Wed, 19th February 2025 / Lot 533

LOT 533

An emerald and diamond marquise shaped cluster ring, mounted with the cushion shaped emerald within a surround of cushion shaped diamonds, unmarked, weight 2.9g, ring size approx L.

Estimate: £350 - £450

Condition Report

533. An attractive ring in generally good condition with no significant damage or repairs. Typical light surface scratches and wear. Emerald is a nice vibrant mid-green colour with typical inclusions visible under x10 magnification. Diamonds are well matched, bright and sparkly with some minor inclusions visible under x10 magnification.
