LOT 2030

A mid-Victorian rosewood Wellington chest, fitted with six oak-lined drawers, height 101cm, width 77cm, depth 46cm.

Estimate: £300 - £400

Condition Report

2030. General appearance and condition is good, but it does have some fairly minor faults, comprising - two thin surface cracks to the veneer running from both the left and right side of the top, minor veneer chips to the bottom edge of the right side plinth, and some light mildew and surface dirt around base, as well as some light surface marks to front.

The Wellington locking plate is slightly warped and does not quite sit flat with the chest, but does still work. The backboards are original, as are the handles. The chest is structurally sound.
