LOT 2015

A 19th century mahogany campaign chest of oak-lined drawers, with overall brass bound corners, stencilled maker's marks to back, height 93cm, width 83cm, depth 41cm (faults and one later made drawer).

Estimate: £100 - £200

Condition Report

2015. Overall worn surface with general surface scuffs, marks and scratches. The top left drawer has been later made and there is a replaced handle to the lower drawer. Loss to the carcass around the rear corners of the join and splits to a few of the metal mounts.
