

## LOT 2577

Gerda Sprinchorn - an early 20th century Continental green patinated cast bronze figural lamp, modelled as a female nude holding a basket aloft and standing on a domed base, bearing cast signature and 'Herman Bergman Fud' foundry mark, height excluding shade 66cm, together with an associated plastic globe shade.

Estimate: £100 - £200

## Condition Report

2577. The lamp appears to have been outside for a period of time, as reflected in its green and slightly weathered patina. It is structurally sound, but has been fitted with a later plastic fitting to the top. The base has a drill hole for the wire and two holes for attaching to a base.
