

Collectors' Items, Works of Art and Light Fittings / Thursday, 20th March 2025 / Lot 2564

### LOT 2564

A good late Victorian walnut cased Polyphon, the hinged lid finely inlaid with floral marquetry, the twin comb mechanism playing 40cm discs, width of case 59cm, together with a collection of approximately twenty-five discs.

Estimate: £200 - £400

---

### Condition Report

2564. Currently in good working order and sounds like it plays well.

The case has some minor scuffs and marks, but is in generally good order.

The two combs do not appear to have any teeth missing, but cannot see the tips of the lower comb.
