LOT 440

A set of four George III silver candlesticks, each faceted urn shaped scone on an octagonal tapering stem and circular base, Sheffield 1796 and 1799 by John Green, Roberts, Mosley & Co, heights 30.5cm.

Estimate: £400 - £600

Condition Report

440. Generally good condition with no significant damage or repairs. Typical light surface scratches and wear commensurate with age. Minor dent but nothing significant. One stick is missing its detachable nozzle. Two nozzles are stuck in place with wax, but we are sure they would come out with a little work.

Slightly rubbed hallmarks, but still readable.

All turned mahogany base panels matching and in good order.
