LOT 1814

An Art Deco Lalique opalescent glass Chiens pattern circular bowl, pre-1945, moulded mark to base interior 'R.LALIQUÉ' and engraved 'France' with pattern No. 3214, diameter 24cm.

Estimate: £220 - £280

Condition Report

The top rim edge of the bowl has a small area of polishing to the interior and two similar small areas to the exterior - no doubt hiding small chips - these are not outwardly noticeable and only really visible if you know what you are looking for. There are other tiny nicks to the rim edge interior which are few and far between and only noticeable on closer inspection.

Some typical scratches to base interior.
